

**PIXELSPREACH**

## **ADVERTISING AND LOGO SPECIFICATIONS**

Thank you for your interest in advertising on PixelsPreach.com. As you know, we're offering free advertising on our site until we get a handle on how much traffic we're getting.

Until then, we agree to host your logo and link to your site for free.

Once we establish a CPM you can either agree to that rate and keep your logo on our site, or you can decline and we'll remove it. No hard feelings. We promise.

**Please send the following information to [info@pixelspreach.com](mailto:info@pixelspreach.com):**

- Your company's logo formatted to fit 215pixels by 77pixels (see the example to the left)
- Your company's name and URL
- The demographic you hope to target while at PixelsPreach.com

Logo placement will be located at the right-hand side of the site. Priority will be given on a first-come-first-served basis. Header banner ads MIGHT become available once we've established our CPM rates. For right now, they're exclusively for Pixels Preach, LLC.

Again thanks for your interest in partnering with us. We can't wait to hear from you.

Until then, cheers!

-The Pixels Preach team
